Join Yorkshire guide Philip Lister as he takes you on a terrifying tour of York's dark and ghostly side.

The Haunted Screen Nov 05 2020 While ghosts often inhabit films and literature devoted to the horror genre, a group of literature-based films from the 1930s and 1940s presents more human and romantic apparitions. These films provide the underpinnings for many of the gentle supernatural films of the 1990s. Tracing the links between specters as diverse as Rex Harrison's Captain Gregg and Patrick Swazye's Sam Wheat, the text presents the evolution of the cinematic-literary ghost from classic Gothic to the psychological, sociological, and political ideologies of today. Included are analyses of the literary and film versions of classic ghost stories--Wuthering Heights, The Ghost and Mrs. Muir, Portrait of Jennie, Letter from an Unknown Woman, The Uninvited, Liliom, and Our Town--as well as interpretations of modern films not based on literary works that show the influence of these predecessors--Ghost and Truly, Madly, Deeply. The text includes stills, a bibliography, and an index.

Ghost Stories Feb 06 2021 A new anthology of classic ghost stories—the second volume in the beautiful and collectible Pocket Classics format. The chilling classic stories gathered here offer a remarkable variety of approaches to the theme of haunting. Revenge comes from beyond the grave in Robert Louis Stevenson's "The Body-Snatcher," while visions of the dead come between the living in Henry James's "The Friends of the Friends." P. G. Wodehouse gives us a farcical take on the haunted house in "Honeysuckle Cottage," and in L. P. Hartley's "W.S.," a writer is fatally stalked by his own aggrieved creation. Here are ghosts of every stripe and intent in stories from writers as varied as Elizabeth Bowen and Jorge Luis Borges, Eudora Welty and Vladimir Nabokov, Ray Bradbury and Edith Wharton, among others. In the hands of these masters, the ghost story ranges far beyond mere horror to encompass comedy and tragedy, pathos and drama, and even a touch of poetry.

Haunted Hartlepool & East Durham Dec 27 2019 Since prehistoric times mankind has had a fascination with death and ghosts. Whether we regard them as just tales others tell or encounter them ourselves, they cannot easily be dismissed. The folk of Hartlepool are a practical lot – best known for their pragmatic hanging of a monkey as a Napoleonic spy. But with its rich history, ghosts abound and the earliest dates from the Saxon era; but it has found company over the centuries! While up in the former colliery communities in East Durham there are, among the rich lore of spectral sightings, many tales attached to a Geordie King Arthur and his Knights and the hope that they will one day lead an industrial renaissance. So read on and discover the supernatural goings-on from the North-east.

Haunted Greece and Rome Jul 02 2020 Stories of ghostly spirits who return to this world to warn of danger, to prophesy, to take revenge, to request proper burial, or to comfort the living fascinated people in ancient times just as they do today. In this innovative, interdisciplinary study, the author combines a modern folkloric perspective with literary analysis of ghost stories from classical antiquity to shed new light on the stories' folk roots. The author begins by examining ancient Greek and Roman beliefs about death and the departed and the various kinds of ghost stories which arose from these beliefs. She then focuses on the longer stories of Plautus, Pliny, and Lucian, which concern haunted houses. Her analysis illuminates the oral and literary transmission and adaptation of folkloric motifs and the development of the ghost story as a literary form. In her concluding chapter, the author also traces the influence of ancient ghost stories on modern ghost story writers, a topic that will interest all readers and scholars of tales of hauntings.

Haunted Liverpool 1 Oct 05 2020 This book - which put Liverpool on the paranormal map - is about ghosts - whatever they are. Every culture has believed in ghosts at one time or another: Buddha trained himself to overcome fear by sitting in a haunted cemetery. Spooky tales are not just a contemporary phenomenon - there are several ghosts mentioned in the Old Testament. In the course of a person's lifetime, the chances of encountering a ghost are surprisingly high. Many of the stories within this book originated from the numerous letters and telephone calls Tom Slemen received from readers of his weekly newspaper column about local mysteries and also from listeners to his many radio programmes about the paranormal. The tremendous response from the public is confirmation of a widespread fascination with the paranormal. In *Haunted Liverpool*, take a spine-chilling journey along city's streets and meet Spring-Heeled Jack, the Penny Lane Poltergeist, Bernie with the broken neck, the Grey Lady of Grove Street and many other spooky characters and unearthly beings.

Haunted York Apr 22 2022 This is a terrifying collection of true-life tales of ghosts, poltergeists and spirits of all kinds in the streets, buildings and graveyards of York. Drawing on historical and contemporary sources, "Haunted York" contains a chilling range of ghostly phenomena. From the medieval stonemason who haunts York Minster to a re-incarnation mystery at St Mary's Church, the spectres of King's Manor, Micklegate Bar and Exhibition Square and the many spirits to be found in the city's public houses, this phenomenal gathering of ghostly goings-on is bound to captivate anyone interested in the supernatural history of York.

A Dictionary of Ghosts Apr 30 2020 A Dictionary of Ghosts defines all the various types of apparitions and creatures of superstition known through the centuries. Recounting legends of famous hauntings, it introduces you to the many mediums, authorities, and victims associated with ghosts. Now you can learn about the domovoy, noisy Russian spirits who are willing to do household chores; Lord Byron's encounters with a phantom monk; and the Hairy Hands ghost who is said to strangle travellers—along with banshees, poltergeists, exorcisms, screaming skulls, UFOs, and all the other intriguing phenomena that have raised hair on the heads of believers and non-believers around the world.

The West End Ghost Book Aug 27 2022 Whether a visitor to, or a native of the great and ancient metropolis of London, the reader will be drawn in by this book's strange and sometimes horrendous tales about this global melting pot of a city. Its pages discuss in detail, some of the demons, ghosts and life-essence stealers who inhabit London's netherworld and call it their home. Along with some original photographs relevant to the tales being told, it deals exclusively with that hugely haunted area of London known as the West End. In it, readers will find spine-chilling stories about hideous and malevolent tree-hanging soul stealers, a ghostly duchess with a very important message and other fascinating tales about the West End's many restless souls who are doomed to haunt forever, the place of their tragic and often violent deaths. Paradoxically, as with life, so with ghost stories and there is indeed nothing new under the sun with respect to the tales told. Many, if not all these stories have been told and retold by interpreters of the spirit world over many decades, if not centuries. My specific aim here, apart from telling these stories in what I hope is a new, entertaining and instructive way, is to contrast and compare the different versions of them that have been written over the years. In doing this I hope to enable readers to consider, discuss and maybe even investigate the stories for themselves, as they examine their history, their contradictions and their facts or the lack off them, hence the heroically sized bibliography.

Haunted Spalding Apr 10 2021 From hair-raising first-hand accounts of unexplained sightings and paranormal phenomena to the search for evidence of ghosts, this eerie and richly illustrated tour around the historic town of Spalding and the surrounding area features many chilling stories of ghostly encounters. Amongst the spooky tales included are a pub where a resident ghost was so determined to make his presence known that he hurled a beer bottle at a member of staff, a hotel where a mischievous spirit sits on the beds and leaves ghostly handprints on a mirror, a sports club where cheeky spirits make their presence felt literally, and the chilling story of an evil spirit so intent on harassing a local family that it could only be removed by exorcism. Also featured are exclusive and intriguing findings from the first ever paranormal investigation at the fifteenth-century Ayscoughfee Hall & Museum, in search of the legendary White Lady.

The Ghosts of Borley Aug 15 2021 'The Ghosts of Borley' (1973) was the first complete record of the unique Borley Rectory hauntings, detailing all the evidence known about this notorious haunted house from the early days of the Rev. H. D. E. Bull who built Borley Rectory in 1863, through the incumbencies of the Rev. Harry Bull, the Rev. Guy Eric Smith and the Rev. Lionel Foyster, to the investigations by Harry Price and other members of the Society for Psychical Research (SPR).

True Ghost Stories Feb 18 2022 Looking for a Scare? Then Read These 15 Spine-chilling Stories The idea of a haunted castle isn't too foreign to most of us. After all, old castles undoubtedly saw many deaths, unjust executions, tortures, broken hearts, and violence in general. Even the most stunning and awe-inspiring castles can hide the darkest secrets, filled with spirits refusing to let those secrets die. From ghosts re-enacting their own executions to ever-present blood stains and playful phantom children, you will read chilling accounts of true hauntings in castles across the world. Ireland, New Zealand, Canada, Austria, the Czech Republic, and more are the homes of castles whose astounding history and unusual architecture are shadowed only by their reputation for paranormal phenomenon and restless ghosts. Consider the imposing Houska Castle, the site of secretive Nazi experiments in physics and the paranormal, which was built hundreds of years ago to keep evil inside rather than invaders out like most castles. The notorious Tower of London has its share of unruly spirits, including a massive bear that nearly scared a security guard to death. Those are just some of the frightening true stories within this book as you learn about the world's most haunted castles. You will discover a man dragged down a dungeon hallway still inhabited by the ghost of an evil torturer. You may laugh about how many ghostly photobombers enjoy showing up in tourists' pictures or gasp at the account of a headless drummer boy who suddenly disappears. Consider awakening in the middle of the night surrounded by a group of Druid-like monks. Think of how terrified you would be to encounter a suit of armor that let out a blood-curdling, pain-riddled scream. Ponder viewing security footage displaying a heavy door flinging wide open only seconds before a massive, hooded figure appears. If you find these types of stories fascinating and creepy, this is the book for you. Ready to scare yourself senseless? Scroll to the top of the page and hit buy!

Ghost Stories Oct 24 2019 Henry James was arguably the greatest practitioner of what has been called the psychological ghost story. This edition includes all ten of his tales in this genre.

Haunted St Albans Sep 15 2021 St Albans is a city steeped in history, a place of former martyrs, Roman legions, battles, bloodshed... and ghosts. Here the paranormal history of this remarkable area is brought vividly to life in the first dedicated guide to its unique haunted heritage that presents true encounters with the world of the strange and the unseen. Paranormal historian Paul Adams opens case files both ancient and modern to compile a chilling collection of supernatural experiences—the much haunted St Albans Cathedral, where phantom monks have been seen in daylight and the fighting ghosts of Battlefield House, and the legless apparition of a long-dead butler are just some of the unnerving experiences that await the reader.
