Big Truths for Young Hearts Mar 24 2022 Equips parents to guide their young children through all major doctrines in an understandable, chapter-a-day format. Sure, it's easy to teach your children the essentials of Christian theology when you're a theology professor. But what about the rest of us? With Big Truths for Young Hearts, Bruce Ware, (you guessed it!) a theology professor, encourages and enables parents of children 6-14 years of age to teach through the whole of systematic theology at a level their children can understand. Parents can teach their children the great truths of the faith and shape their worldviews early, based on these truths. The book covers ten topics of systematic theology, devoting several brief chapters to each subject, making it possible for parents to read one chapter per day with their children. With this non-intimidating format, parents will be emboldened to be their children's primary faith trainers-and perhaps learn a few things themselves along the way.

Creative Bible Teaching May 02 2020 Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge. However, instead of ravines or rivers, the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses, David, Jesus, and Paul. Though God's Word is always relevant, the teacher must help students see Scripture's vast treasures. The effective, engaging Bible teacher must, therefore, become creative. Together, Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God's Word. Creative Bible Teaching offers a five-step process by which Christian educators can construct a bridge across time, geography, and culture to help students of all ages connect with God's Word. This newly revised edition makes learning about God's Word more accessible for both teachers and students today. Simple, clear, and memorable, the method laid out in Creative Bible Teaching provides a sure-fire way of communicating God's Word in a way that sticks.

Breathing Life Into Sunday School Jun 26 2022 Breathing Life into Sunday School speaks to the most important ministry that churches have, their Bible teaching ministry. Although Sunday school goes by many names today, it is still a time-honored and effective ministry for teaching the Bible, reaching people for Christ, assimilating them into the church, and growing them as disciples. The majority of churches inside and outside the SBC utilize Sunday school and need to know ways to grow it and improve its health. Although Sunday school is an important ministry, many churches have not experienced its full potential. Sunday school is in decline in most denominations, and there is a lack of health and vitality that it once had. In many churches, the leadership of the Sunday school is in the hands of untrained laymen (Sunday school directors), or is led by the pastor who has no paid staff members, and who might even be bi-vocational. This limits the pastor's time to address the needs of the church's Sunday school. This book details twelve ways that a church can experience new life and vibrancy in its Sunday school ministry. The twelve essentials are replicable by churches of any size. Based on the author's extensive history and training in Christian education and Sunday school, he helps the reader focus on key practices that are needed in order for a Sunday school to grow. The 128 page book is designed to help church leaders train Sunday school directors, teachers, and group members of a Sunday school class or Bible study group.

Show Them Jesus May 14 2021 In this transformative resource for youth workers, children's ministry teachers, parents, and VBS volunteers, Jack Klumpenhouwer teaches how to discover the gospel connections in every Bible story. Show Them Jesus is an instruction manual for teachers of kids and teens written by a lay Bible teacher with thirty years of experience. With a simple framework and real-life examples, Jack helps teachers identify and communicate the heart of the gospel to each child in each lesson. Show Them Jesus challenges the culture of low-stakes, low-expectations teaching and invites teachers to do nothing less than teach and treasure the good news of Jesus—in every lesson. Instead of leaving kids with lessons about changing their behavior,

Show Them Jesus offers a new way by sweetly, masterfully, and powerfully showing kids how the gospel really applies to their lives and changes them for eternity. In sharing example after example from his years of experience, Jack provides readers with a more enriched view of Jesus and how to teach this gospel perspective in a classroom setting. This life-changing tool will complement and enrich existing lessons or teaching materials, and it's appropriate for teachers of children and teens in any setting. Millions of church kids are growing up and deciding to leave the church. If we are not primarily teaching our kids about God's love for us in Christ, we may miss our opportunity to capture their hearts. Don't miss your opportunity to show them Jesus.

Robert Raikes Jun 22 2019 In 1780, the story of Sunday School began when Robert Raikes walked down the steps from his second story printing office to the street below. There, he encountered a wash woman that complained that the swearing of the children on the Sabbath Day made it sound more like hell than heaven. At that moment God dropped a word into his heart-try. Raikes took thirty children off the street and began to teach them how to read. Their first lessons were "God is One" and "God is love." He cleaned them up, gave them clothes, and taught them that vice is preventable and that a good example can draw others like a magnet. Other children were drawn so that the one school grew to seven schools; and after three years, he published to the world the effects of his experiment. He called it "botanizing in human nature." In a letter to a friend, he explained that his vision was to "create a new race out of what others called waste." By the time Robert Raikes died, over four hundred thousand children were enrolled in Sunday Schools. The story you are about to read was first told to a Sunday School class by J. Henry Harris in 1900. The author edited this story so that the testimony of Robert Raikes may inspire us to believe in the power of God's Word to transform lives and shape the future of our nation. Dr. Michael Peters graduated cum laude from Covenant Theological Seminary and holds a Ph.D. in historical theology from Saint Louis University.
