He provides a detailed account of the political developments in Pakistan since 1947 with a focus on the influence of religious and military forces. The Girl In Room 105 Aug 03 2022 Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four

years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did ... and my life changed forever. This is not a love story. It is an un-love story. From the author of *Five Point Someone* and *2 States*, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

*The Sunset Club* Jan 28 2022 Meet the members of the Sunset Club: Pandit Preetam Sharma, Nawab Barkatullah Baig and Sardar Boota Singh. Friends for over forty years, they are now in their eighties. And every evening, at the sunset hour, they sit together on a bench in Lodhi Gardens to exchange news and views on

the events of the day, talking about everything from love, lust, sex and scandal to religion and politics. As he follows a year in the lives of the three men—from January 26 2009 to January 26 2010—Khushwant Singh brings his characters vibrantly to life, with his piquant portrayals of their fantasies and foibles, his unerring ear for dialogue and his genius for capturing the flavour and texture of everyday life in their households. Interwoven with this compelling human story is another chronicle - of a year in the life of India, as the country goes through the cycle of seasons, the tumult of general elections, violence, natural disasters and corruption in high places. In turn ribald and lyrical, poignant and profound, *The Sunset Club* is a deeply moving exploration of friendship, sexuality, old age and infirmity; a joyous celebration of nature; an insightful portrait of India's paradoxes and complexities. A masterpiece from one of India's most-loved storytellers, *The Sunset Club* will have you in tears and laughter, and grip you

from the first page to the last.

**Lust** Oct 13 2020 Lust, says Simon Blackburn, is furtive, headlong, always sizing up opportunities. It is a trail of clothing in the hallway, the trashy cousin of love. But be that as it may, the aim of this delightful book is to rescue lust "from the denunciations of old men of the deserts, to deliver it from the pallid and envious confessor and the stocks and pillories of the Puritans, to drag it from the category of sin to that of virtue." Blackburn, author of such popular philosophy books as *Think and Being Good*, here offers a sharp-edged probe into the heart of lust, blending together insight from some of the world's greatest thinkers on sex, human nature, and our common cultural foibles. Blackburn takes a wide ranging, historical approach, discussing lust as viewed by Aristophanes and Plato, lust in the light of the Stoic mistrust of emotion, and the Christian fear of the flesh that catapulted lust to the level of deadly sin. He describes how philosophical

pessimists like Schopenhauer and Sartre contributed to our thinking about lust and explores the false starts in understanding lust represented by Freud, Kinsey, and modern "evolutionary psychology." But most important, Blackburn reminds us that lust is also life-affirming, invigorating, fun. He points to the work of David Hume (Blackburn's favorite philosopher) who saw lust not only as a sensual delight but also "a joy of the mind." Written by one of the most eminent living philosophers, attractively illustrated and colorfully packaged, *Lust* is a book that anyone would lust over.

Command Of The Air Mar 30 2022 In the pantheon of air power spokesmen, Giulio Douhet holds center stage. His writings, more often cited than perhaps actually read, appear as excerpts and aphorisms in the writings of numerous other air power spokesmen, advocates-and critics. Though a highly controversial figure, the very controversy that surrounds him offers to us a testimonial of the

value and depth of his work, and the need for airmen today to become familiar with his thought. The progressive development of air power to the point where, today, it is more correct to refer to aerospace power has not outdated the notions of Douhet in the slightest. In fact, in many ways, the kinds of technological capabilities that we enjoy as a global air power provider attest to the breadth of his vision. Douhet, together with Hugh "Boom" Trenchard of Great Britain and William "Billy" Mitchell of the United States, is justly recognized as one of the three great spokesmen of the early air power era. This reprint is offered in the spirit of continuing the dialogue that Douhet himself so perceptively began with the first edition of this book, published in 1921. Readers may well find much that they disagree with in this book, but also much that is of enduring value. The vital necessity of Douhet's central vision-that command of the air is all important in modern warfare-has been proven throughout the history

of wars in this century, from the fighting over the Somme to the air war over Kuwait and Iraq. Delhi Sep 04 2022 Travelling through time, space and history to 'discover' his beloved city, the narrator of this novel meets a myriad of people - poets and princes, saints and sultans, temptresses and traitors, emperors and eunuchs - who have shaped and endowed Delhi with its very mystique.

*Lust for Enlightenment* Nov 13 2020 Over the centuries, Buddhism has responded to sexuality in a variety of fascinating ways, sometimes suppressing the sexual urge, sometimes sublimating it, sometimes cultivating it, and, on the highest levels, transforming it. This book reveals how Buddhists, beginning with Shakyamuni Buddha himself, relate to the "inner fire" that drives humankind. Included are chapters on the Buddha's love life before his enlightenment and his later relationships with women; the tantric approach to sex among Buddhists of ancient India, Tibet, China, and

Japan; Zen in the art of love; and a positive discussion of women and Buddhism.

**Actual Air** Feb 03 2020 Released in paperback in 1999 by the now-defunct Open City and praised everywhere in the then-ascendant print press industry (including names that still make waves today like *The New Yorker* and *GQ*), David Berman's first (and only) book of poetry was and is a journey though shared and unreliable memory. Uncannily inspired, Berman's poems walk through doors into rooms where where one might hear "I can't remember being born / and no one else can either / even the doctor who I met years later / at a cocktail party" (from "Self-Portrait at 28"), or praise "the interval called hangover / a sadness not co-terminous with hopelessness" (from "Cassette Country") and "that moment when you take off your sunglasses / after a long drive and realize it's earlier / and lighter out than you had accounted for" ("The Charm of 5:30"). At that

time, Berman was called a modern-day Wallace Stevens and a next-wave John Ashberry, with his own logic, awareness of pop culture and sensitivity to the details of the post-postmodern world in his poems. Alongside his lyrics to a half-dozen infamous Silver Jews records, *Actual Air* endeared Berman to lovers of poetry, prose, and music alike. Poet James Tate said it best: "It is a book for everyone." And poet laureate Billy Collins could only add, "This is the voice I've waited so long to hear." The second edition of the hardcover version of *Actual Air* is limited to 1000 copies. Features of the second edition are: new larger dimensions and enlarged typeface, new dustjacket artwork variant, deluxe cloth boards, updated full-color endpapers, dust-jacket featuring a photo of the artist around the time of publication, and of course the poems that inspired all this fuss in the first place.

India's most popular and prolific writer has, over the years, enlightened and outraged in equal measure, and enriched our lives with his humour, his honesty and his sharp insights and observations. In *Khushwantnama*, the 98-year-old reflects on a life lived fully and the lessons it has taught him. Here is his distilled wisdom on subjects as diverse as old age and the fear of death; on the joy of sex, the pleasures of poetry and the importance of laughter; on how to cope with retirement and live a long, happy and healthy life. Here, too, are his reflections on politics, politicians and the future of India; on what it takes to be a writer; and on what religion means to him.

*Making Sense of Pakistan* Jul 22 2021 Pakistan's transformation from supposed model of Muslim enlightenment to a state now threatened by an Islamist takeover has been remarkable. Many

account for the change by pointing to Pakistan's controversial partnership with the United States since 9/11; others see it as a consequence of Pakistan's long history of authoritarian rule, which has marginalized liberal opinion and allowed the rise of a religious right. Farzana Shaikh argues the country's decline is rooted primarily in uncertainty about the meaning of Pakistan and the significance of 'being Pakistani'. This has pre-empted a consensus on the role of Islam in the public sphere and encouraged the spread of political Islam. It has also widened the gap between personal piety and public morality, corrupting the country's economic foundations and tearing apart its social fabric. More ominously still, it has given rise to a new and dangerous symbiosis between the country's powerful armed forces and Muslim extremists. Shaikh demonstrates how the ideology that constrained Indo-Muslim politics in the years leading to Partition in 1947 has left its mark, skillfully deploying insights from history to

better understand Pakistan's troubled present. *On Love and Sex* Aug 11 2020 The writing career of Khushwant Singh is more than six decades old. During this time he has come up with several frank and scare free writings that has punctured the prudishness, hypocrisy and humbug of Indian society. He has been quite open in expressing his views on human sexuality and he is considered one of a kind. In *on Love and Sex: Selected Writings*, he looks back at some of his previous publications like his autobiography, where he details about how he lost his virginity. He describes about a newly married couple, whom he witnessed, as they consummate their marriage on a moving train. This is presented as his rumination of sexuality in India. He then describes about an episode in a doctor's clinic, a poker faced narration, which left Singh with the feeling that he has been 'buggered'. He then picks another topic from his other fiction work called *A Mixed Marriage*. Here he describes about a Hindu-Muslim union

during the times of Mughal. The Rooftop Massage describes about the unusual experience of Mohan Kumar with the Masseuse Molly. Kumar is given the suggestion later on that he should never try it again.

Messianism and the Septuagint Jul 30 2019 The essays reproduced in this volume have been selected on the basis of their common theme: Messianism in the Septuagint. The aim of the papers is to answer the following basic questions: Does the Septuagint enhance the messianic hope developed in the Masoretic text? Does it reflect a stage in the development of Israel's messianic expectations, perhaps preparing for Christianity and its Messiah? Questioning a theory accepted by many scholars, the author argues that the Septuagint as a whole does not exhibit an increased interest in royal messianism. While some texts offer literal translations, others display a weakening of the royal messianic character of the translated passages, or perhaps more correctly, several

relevant passages in the Septuagint are witnesses to an earlier Hebrew version in which the messianic accents were less pronounced than in the final Masoretic text.

**The End of India** Jan 16 2021 'I thought the nation was coming to an end' When Khushwant Singh witnessed the violence of Partition nearly

seventy years ago, he believed that he had seen the worst that India could do to herself. But after the carnage in Gujarat in 2002, he had reason to feel that the worst, perhaps, was still to come. Analysing the communal violence in Gujarat in 2002, the anti-Sikh riots of 1984, the burning of Graham Staines and his children, the targeted killings by terrorists in Punjab and Kashmir, Khushwant Singh forces us to confront the absolute corruption of religion that has made us among the most brutal people on earth. He also points out that fundamentalism has less to do with religion than with politics. And communal politics, he reminds us, is only the most visible of the demons we have nurtured and let loose upon ourselves. A brave and passionate book, *The End of India* is a wake-up call for every citizen concerned about his or her own future, if not the nation's.

**Burial at Sea** Dec 15 2020 In this, his fifth novel, one of India's most widely read authors returns to territories he knows best: twentieth-century Indian history, bogus religion and sexuality. He returns from university in England determined to bring the benefits of modern industry to the subcontinent, and within a few years of India's independence, becomes the country's biggest tycoon. But this is not the only ideal of Gandhi's that he defies: facing a midlife crisis, he falls passionately in love with a tantric god-woman (who keeps a tiger as her pet and has a dubious past). She introduces him to the pleasures of unbridled sexuality, but also becomes the reason for his downfall. Comic, tender and erotic by turns, *Burial at Sea* is vintage Khushwant Singh.
