Women in World History: v. 1: Readings from Prehistory to 1500 Mar 16 2021 Presenting selected histories in Asia, Africa, Europe and the Americas, this work discusses: political and economic issues; marriage practices, motherhood and enslavement; and religious beliefs and spiritual development. Famous women, including Hatshepsut, Hortensia, Aisha, Hildegard of Bingen and Sei Shonangan, are discussed as well as lesser known and anonymous women. Both primary and secondary source readings are included.

Reports of United States Tax Court, V. 141, July 1, 2013, to December 31, 2013 Oct 11 2020 Volume of the United States Tax Court Reports containing case abstracts and opinions of the court regarding cases between July 1, 2013 December 31, 2013. Cases in each volume are listed in the prefatory table. The United States Tax Court is a federal trial court of record established by Congress under Article I of the U.S. Constitution, section 8 providing (in part) that Congress has the power to "constitute Tribunals inferior to the Supreme Court. "The Tax Court specializes in adjudicating disputes over federal income tax, generally prior to the time at which formal tax assessments are made by the Internal Revenue Service. Though taxpayers may choose to litigate tax matters in a variety of legal settings, outside of bankruptcy, the Tax Court is the only forum in which taxpayers may do so without having first paid the disputed tax in full. Parties who contest the imposition of a tax may also bring an action in any United States District Court, or in the United States Court of Federal Claims; however these venues require that the tax be paid first, and that the party then file a lawsuit to recover the contested amount paid (the "full payment rule")." Experiments in Personality: Volume 1 (Psychology Revivals) Nov 11 2020 Originally published in 1960, the two volumes of Experiments in Personality report a number of experiments in psychogenetics, psychopharmacology, psychodiagnostics, psychometrics and psychodynamics, all of which formed part of the programme of research which had been developing from the late 1940s at the Maudsley Hospital. Presenting the studies together in a book, rather than the more usual route of journal articles, was itself felt to be an experiment at the time, especially given the wide area covered. The decision was deliberate because all the studies reported formed part of a larger whole, which would have been lost if published separately. Volume I looks at psychogenetics and psychopharmacology.

Not Famous in Hollywood (Not in Hollywood Book 1) Apr 16 2021 There are some mornings when you really should make the time to stop for coffee. When Trudie Eyre came to Hollywood as personal assistant for the famous and indulged, she expected to see wealth, glamor and maybe a little crazy. What she did not expect was to be wedged in a doggie door, trying to rescue America's Sweetheart from a potentially career destroying booty call with Hollywood's Sexiest Man Alive. Finding the dead body of Hollywood's favorite bad boy slumped in a shower did not feature in the job description either. Blackmailed by the police for her help, Trudie must navigate the world of the famous and not so famous, while keeping her distance from her gorgeous fake undercover cop boyfriend, before she becomes the next target.

One of a Kind Aug 01 2022 From the New York Times bestselling author Sandi Lynn comes a brand new brothers series you'll want to devour! Sam I made a promise not to sleep with my new personal assistant. Too late. I'd already slept with her before I knew Grayson, my human resources director, hired her. Long story short. We first met at a café when she let me have the last apple turnover. Then I saw her again that same night at a bar. She was incredibly sexy, and she wanted me as much as I wanted her. We both agreed it was a one-time thing, and she left the following day. Imagine the shock on both our faces when she showed up for work on Monday. I wasn't a relationship type of guy and for good reasons. Julia Benton had her own reasons why she wasn't looking to get involved with anyone. So, continuing our sexual relationship was a win-win for both of us. But the more time we spent together, feelings I'd never felt before started to emerge. Then things became complicated, and she quit to pursue her dreams. I knew how much it meant to her, and I didn't care. Now that I'd lost her, I wanted, no, I needed her back in my life, and I would do anything to make sure that happened. Julia He was the sexy and domineering man who wore an expensive suit. A man who cracked the hard shell I'd built around myself for the past four years. I wasn't looking for someone to save me, but Sam unintentionally did just that. Then I was given a chance to pursue my lifelong dream. He tried to stop it from happening by showing me exactly who he was. My only focus now was starting the business I'd always wanted and leave Sam behind in the trail of a disaster he created between us. The problem was: he truly was one of a kind, and I had to use every bit of strength I had to forget him. 18+

Personal Memoirs of U. S. Grant Volume 1 of 2 Feb 12 2021 Born in 1822, Grant was the son of an Ohio tanner. He went to West Point reluctantly and graduated in the middle of his class. At the outbreak of the Civil War, Grant was appointed by the governor to command an unruly volunteer regiment, quickly rising to the rank of brigadier general of volunteers. In February 1862, he took Fort Henry and attacked Fort Donelson. When the Confederate commander asked for terms, Grant replied, 'No terms except an unconditional and immediate surrender can be accepted.' The Confederates surrendered, and President Lincoln promoted Grant to major general of volunteers. At Shiloh in April, Grant fought one of the bloodiest battles in the West and came out less well. Lincoln fended off demands for his removal by saying, 'I can't spare this man he fights.' For his next major objective, Grant then maneuvered and fought skillfully to win Vicksburg, the key city on the Mississippi, cutting the Confederacy in two. Then he broke the Confederate hold on Chattanooga. Lincoln appointed him General-in-Chief in March 1864. Grant directed Sherman to drive through the South while he himself, with the Army of the Potomac, pinned down General Robert E. Lee's Army of Northern Virginia. Finally, on April 9, 1865, at Appomattox Court House, Lee surrendered. Grant wrote out magnanimous terms of surrender that would prevent treason trials. As President, Grant presided over the Government much as he had run the Army. Indeed he brought part of his Army staff to the White House. After retiring from the Presidency, Grant became a partner in a financial firm, which went bankrupt. About that time he learned that he had cancer of the throat. He started writing his recollections to pay off his debts and provide for his family, racing against death to produce these Memoirs. Soon after completing the last page, in 1885, he died.

The Firefox of Anyëa - Book One of The Soulfire Saga of Tabitha Moon Oct 03 2022 It seemed like such a small difference. So harmless. . . Tabitha Moon possesses an astonishing, though inhuman, feature that sets her far apart from everyone else. Yet, whilst truly remarkable to look upon, she feels that her appearance is also the wellspring of her loneliness; a burden that only ever seems to attract stares, cruel words, intimidation and even harm. . . So Tabitha hides and dreams of release from her torment, completely unaware that she has an ancient ancestry founded far from the unhappy place she grudgingly calls "home." Nor is she aware that the mysterious lineage is not only responsible for how she looks but also for an incredibly powerful gift she has unknowingly inherited from them. Then, one night, without warning, everything changes. . . Ignited by a particularly violent and cowardly attack upon her, Tabitha's latent, arcane power erupts into life from deep within - and with it a bizarre, yet wondrous, entity also awakens. . .

A More Perfect Union Dec 01 2019 Hana Schank had never given much thought to her wedding, or even really imagined herself married, so when she found herself suddenly sporting a brand-new engagement ring she assumed planning a small, low-key wedding would be no big deal. But soon she finds herself adrift in Wedding Land, a world where all brides are expected to want to look like Cinderella, where women plan weddings with fantasy butterfly themes, where a woman's wedding is, without question, the Happiest Day of Her Life. Despite her best efforts not to become a Bridezilla, Hana finds herself transformed from a thirty-year-old woman with a 401(k) into a nearly unrecognizable version of herself as she spends weeks crafting save-the-date cards, worries about matching her cocktails to her wedding colors, and obsessively reads Martha Stewart Weddings magazine. She decides that, if she is going to follow traditions like wearing white and walking down the aisle with flowers, she at least wants to understand why. In her search she turns up interesting wedding facts: bridesmaids, for instance, were originally recruited to confuse evil spirits. Ultimately, she casts a critical eye on the \$72 billion wedding industry, from the women at wedding websites who cackle over the etiquette missteps of others to wedding magazines that provide checklists of 187 tasks to plan the perfect wedding, suggesting that to have anything less is to fail as a bride, as a woman, as a wife. Part confessional memoir, part social critique, A More Perfect Union chronicles a year in Wedding Land, capturing as it does not only the stresses but the undoubted joys of becoming a bride.

Memorial Day Mar 04 2020 When the CIA receives word about an upcoming terrorist attack, they immediately look towards their superagent Mitch Rapp to do whatever it takes to protect American lives in this "page-flipping extravaganza" (Publishers Weekly) from the #1 New York Times bestselling author Vince Flynn. Just as Washington, DC, prepares for a grand Memorial Day tribute to the veterans of World War II, the CIA receives intelligence about a potential major terrorist attack. Racing to Afghanistan, Mitch Rapp leads a commando raid on an Al-Qaeda stronghold in a remote border village--and defuses plans for a nuclear strike on the nation's capital. But Rapp knows, in the face of a new kind of enemy, nothing is what it seems--and it's up to him alone to avert a disaster of unimaginable proportions.

The West Yorkshire Regiment in the War 1914-1918 Vol 1 May 18 2021 Another weighty regimental history, two volumes, 820 pages in all covering the record of twenty-two battalions in France, Flanders, Italy and Gallipoli (all of them served on the Western Front). When war broke out the regiment consisted of two Regular battalions (1st and 2nd), two Special Reserve (3rd and 4th) and four Territorial battalions (5th to 8th); the 1st Battalion went to France with 6th Division in September 1914, the 2nd Battalion came home from Malta to join the newly formed 8th Division (Regular) and went to France in November 1914. Both battalions remained in the same brigades (18th and 23rd) and divisions throughout the war. The four Territorial battalions each formed a 2nd and a 3rd line battalion; the four original battalions made up the 146th Brigade, 49th (West Riding) Division, arriving in France in April 1915, the second line battalions combined to make the 185th Brigade, 62nd (2nd West Riding) Division which arrived in France in January 1917. Kitchener's call to arms resulted in eleven Service battalions being raised, 9th to 18th (the 17th was formed as a Bantam battalion) and 21st; of these only 13th and 14th did not go on active service. The 21st Battalion became a Pioneer battalion in 4th Division and the 22nd was a Labour battalion which also went to France. This history records events in chronological order, the dates of the operations being described are shown in the margin as are the identities of the battalions involved. Volume 1 (x + 355pp with 18 maps and 15 b/w photos) covers the period from the outbreak of war to the end of 1916, the close of the Somme offensive and includes the Dardanelles campaign where the 9th Battalion was in action with the 11th (Northern) Division. On 1st July 1916, the first day of the Somme, the 10th Battalion attacked at Fricourt and incurred the heaviest casualties of any battalion - 710, of whom 307 were killed including the CO, 2IC, adjutant and two company commanders. More than half of them are in in Fricourt New Military Cemetery which is in the No Man's Land across which they attacked and where they died. The CO (Lt Col Dickson) and his adjutant (Capt Shann) lie side by side. There is a Roll of Honour for the period covered in which the other ranks are listed alphabetically by battalions as are the Territorial battalion officers; the other officers are shown in one group in alphabetical order with the battalion number in front of the name. Although the note at the head of the officer casualty list states that the theatre in which death occurred is France and Flanders unless otherwise indicated, nonetheless 'Gallipoli' is not shown against the names of the officers of the 9th Battalion who died there, and so one is left with the wrong impression they died on the Western front.

Being No One Aug 21 2021 According to Thomas Metzinger, no such things as selves exist in the world: nobody ever had or was a self. All that exists are phenomenal selves, as they appear in conscious experience. The phenomenal self, however, is not a thing but an ongoing process; it is the content of a "transparent self-model." In Being No One, Metzinger, a German philosopher, draws strongly on neuroscientific research to present a representationalist and functional analysis of what a consciously experienced first-person perspective actually is. Building a bridge between the humanities and the empirical sciences of the mind, he develops new conceptual toolkits and metaphors; uses case studies of unusual states of mind such as agnosia, neglect, blindsight, and hallucinations; and offers new sets of multilevel constraints for the concept of consciousness. Metzinger's central question is: How exactly does strong, consciously experienced subjectivity emerge out of objective events in the natural world? His epistemic goal is to determine whether conscious experience, in particular the experience of being someone that results from the emergence of a phenomenal self, can be analyzed on subpersonal levels of description. He also asks if and how our Cartesian intuitions that subjective experiences as such can never be reductively explained are themselves ultimately rooted in the deeper representational structure of our conscious minds.

A Salute to One of 'the Few' Feb 24 2022 A poignant biography of a pilot who made the ultimate sacrifice in World War II. In a quiet churchyard is the grave of an airman who lost his life fighting in the skies over southern England in October 1940. The author happened to come across this grave, and after some initial inquiries discovered that nobody in the town was aware that this Battle of Britain pilot lay at rest in their parish. Determined to discover more about the short life of this hero, he undertook several years of research to craft this biography. Peter Cape Beauchamp St. John joined the RAF in November 1937 on a four-year short service commission at the age of twenty. In July 1938 he was posted to No. 87 Squadron, being equipped with the then-new Hawker Hurricane fighter. After war had been declared, the Squadron was posted to France in support of the British Expeditionary Force, becoming operational on September 10, 1939. In March 1940 he was transferred to 501 Squadron in Tangmere, and then again in April to 74 Squadron as an operational pilot at Hornchurch, equipped with Spitfires. It was from here that he fought his part in the Battle of Britain. For those who may have forgotten "The Few," this stirring story tells of the all-too-short life of one of the 544 young men who gave everything to defend Great Britain from Nazi aggression.

Lost Girl (Book One of The Lost Trilogy) May 06 2020 Lost Girl - Readers' Favorite Award Finalist in Paranormal Fiction Renowned sculptor Allison Weathers doesn't believe in ghosts. But when a tragic twist of fate leads her to the small mountain town of Dawson Mills, Tennessee, she soon learns that the dead don't always stay silent. Shadows begin to shift in the rambling, old Victorian farmhouse she's purchased. Voices come from nowhere. She can feel the eyes on her. Paul Bradford, a contractor who is bidding the renovation work on the house, believes it's more than just Allison's imagination conjuring up the paranormal activity. Toni Harper, a reporter for the local paper, concurs. She's heard snippets of hand-over-the-mouth gossip from some of the town's deputies who responded to calls in the middle of the night. Ghosts. Or so the former owner claimed in the few months before his death. The secrets they unearth rock Allison right down to the core. Thrust into a haunted world where the paranormal and evil collide, she has one hope of survival: unravel the sinister history buried for decades within the old farmhouse, and find the link to a muddled piece of her past. Lost Girl by Anne Francis Scott is a paranormal mystery/ghost story with chilling scenes at the fringe of horror.

The Book of Ezekiel, Chapters 1-24 Dec 13 2020 To most modern readers the book of Ezekiel is a mystery. Few can handle Ezekiel's relentless denunciations, his unconventional antics, his repetitive style, and his bewildering array of topics. This excellent commentary by Daniel I. Block makes sense of this obscure and often misunderstood prophet and demonstrates the relevance of Ezekiel's message for the church today.

Rescued from the Reich Jul 28 2019 When Hitler invaded Warsaw in the fall of 1939, hundreds of thousands of civilians—many of them Jewish—were trapped in the besieged city. The Rebbe Joseph Schneersohn, the leader of the ultra-orthodox Lubavitcher Jews, was among them. Followers throughout the world were filled with anguish, unable to confirm whether he was alive or dead. Working with officials in the United States government, a group of American Jews initiated what would ultimately become one of the strangest—and most miraculous—rescues of World War II. The escape of Rebbe Schneersohn from Warsaw has been the subject of speculation for decades. Historian Bryan Mark Rigg has now uncovered the true story of the rescue, which was propelled by a secret collaboration between American officials and leaders of German military intelligence. Amid the fog of war, a small group of dedicated German soldiers located the Rebbe and protected him from suspicious Nazis as they fled the city together. During the course of the mission, the Rebbe learned the shocking truth about the leader of the rescue operation, the decorated Wehrmacht soldier Ernst Bloch: he was himself half-Jewish, and a victim of the rising tide of German antisemitism. A harrowing story about identity and moral responsibility, Rescued from the Reich is also a riveting narrative history of one of the most extraordinary rescue missions of World War II.

One of Them Sep 09 2020 Musa Okwonga – a young Black man who grew up in a predominantly working-class town – was not your typical Eton College student. The experience moulded him, challenged him... but also made him wonder why a place that was so good for him also seems to contribute to the harm being done to the UK. The more he searched, the more evident the connection became between one of Britain's most prestigious institutions and the genesis of Brexit, and between his home town in the suburbs of Greater London and the rise of the far right. Woven throughout this deeply personal and unflinching memoir of Musa's five years at Eton in the 1990s is a present-day narrative which engages with much wider questions about pressing social and political issues: privilege, the distribution of wealth, the rise of the far right in the UK, systemic racism, the 'boys' club' of government and the power of the few to control the fate of the many. One of Them is both an intimate account and a timely exploration of race and class in modern Britain.

One of These is Not Like the Others Sep 21 2021 One of these is not like that other--and that's great! This gently subversive picture book points out-- and celebrates!-- the differences between subjects. Barney Saltzberg's hilarious and delightfully direct text and simple illustrations introduce children to the concept and splendor of inclusiveness, through recognizing who or what's different on each spread and celebrating the unity as it is. For example, the reader sees three cows and an elephant accompanied by the text "One of these is not like the other," turn the page... and all four animals take part in an exuberant conga line and say "that's just fine with us"! In a series of similar examples children are encouraged to notice both the similarities and differences between characters and celebrate both. Barney Saltzberg's picture book is a pointed and timely tribute to the power of inclusivity and as well as a riotous read-aloud.
