Obsessed Oct 29 2019 I'm not a good man. And it turns out I'm an even worse professor. I have sinful thoughts about one of my students. Every night. I picture her in my bed. In my shower. Underneath me. Right up against the chalkboard. I'm especially fond of that one. In my defense, I know her thoughts are as sinful as mine. She's begging me with her beautiful blue eyes. She's daring me to cross the line. No, I'm not a good man. And I'm done pretending to be. I know exactly what I'm going to do to her as soon as she walks into my office hours...

Pulse Jul 19 2021 Pulse - Part Three: Jessica wanted to believe Nathan was a changed man. The lust filled promises he made in bed are no match for the reality that she's now holding in the palm of her hand. Sex drives men like Nathan Moore. She suspected it, then experienced it and now there's absolutely no denying it. She knows what the right thing to do is. He knows that he's never met anyone like her. Jessica struggles to forget him as Nathan's desire for her consumes him. His compulsive need to possess her pushes him in ways that will change them both forever. Just how far is Nathan Moore willing to go to have the one woman he claims he can't live without?

From Impressed to Obsessed: 12 Principles for Turning Customers and Employees into Lifelong Fans Dec 24 2021 Stop satisfying your customers - and start impressing them - using the strategies of Apple, Costco, Disney, and other industry dominators. If you're aspiring to satisfy your customers, then you're aspiring to mediocrity. That's the fascinating premise of *From Impressed to Obsessed*, a book that will fundamentally change how you think about creating a successful, beloved business. Renowned customer experience expert Jon Picoult takes you on a mesmerizing journey, showing how customer loyalty is as much about shaping people's memories as it is about shaping their experiences. Through captivating stories and eye-opening studies, Picoult explains the 12 breakthrough, psychology-based strategies that successful companies use to impress customers - leading them to become obsessed with the business's products and services, and to encourage others to do the same. Filled with actionable examples, you'll see how you can immediately apply these principles to turn more sales prospects into customers, and more customers into raving fans. Picoult even demonstrates how business leaders can use the very same principles to strengthen employee engagement and loyalty. Turn your organization's customer experience into its greatest competitive advantage, by

applying the simple but profound lessons in *From Obsessed to Impressed*.

Obsessed Oct 10 2020 Obsessed is not about obsession for a new purse or a new car. Instead, these stories sizzle with the kind of obsession that is fueled by our deepest desires, the ones that hold couples together, the ones that haunt us and don't let go. Whether just-blooming passions, rekindled sparks, or reinvented relationships, these lovers put the object of their obsession first. From the almost-divorced couple in "Aftershocks," by Bella Andre, who finally confess their deepest desires during an earthquake, to a woman who confesses to her boyfriend just how much she lusts after another man in Emerald's "Then," these lovers push the boundaries of their relationship and the boundaries of their trust in each other. Obsessed lovers don't always do what is rational; sometimes they chase their dreams, such as in Kayla Perrin's "One Night in Paris," across the world and across the landscape of their lovers' bodies.

Stop Obsessing! Dec 12 2020 Newly Revised and Updated! Are you tormented by extremely distressing thoughts or persistent worries? Compelled to wash your hands repeatedly? Selfie Jul 31 2022 'Fascinating' Guardian 'Brilliant' Evening Standard 'Electrifying' Financial Times 'So interesting I literally couldn't put it down' Sunday Times We are living in an age of heightened individualism. Success is a personal responsibility. Our

culture tells us that to succeed is to be slim, rich, happy, extroverted, popular - flawless. The pressure to conform to this ideal has changed who we are. We have become self-obsessed. And our expectation of perfection comes at a cost. Millions are suffering under the torture of this impossible fantasy. It was not always like this. To explain how we got here, Will Storr takes us on a journey across continents and centuries. Full of thrilling and unexpected connections between history, psychology, economics, neuroscience and more, *Selfie* is an unforgettable book that makes sense of who we have become. As featured on Russell Brand's *Under The Skin* podcast. **Build an Empire** Aug 08 2020 Why you must envision, create and defend your personal empire. Advise for business, life and love. Obsessed Sep 01 2022 A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act "normal," the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison's descent and ultimately hopeful climb out of the depths.

If You're Not First, You're Last May 29 2022 During economic contractions, it becomes much more difficult to sell your products, maintain your customer base, and gain market share. Mistakes become more costly, and failure becomes a real possibility for all those who are not able to make the transition. But imagine being able to sell your products when

others cannot, being able to take market share from both your competitors, and knowing the precise formulas that would allow you to expand your sales while others make excuses. If You're Not First, You're Last is about how to sell your products and services—despite the economy—and provides the reader with ways to capitalize regardless of their product, service, or idea. Grant shares his proven strategies that will allow you to not just continue to sell, but create new products, increase margins, gain market share and much more. Key concepts in If You're Not First, You're Last include: Converting the Unsold to Sold The Power Schedule to Maximize Sales Your Freedom Financial Plan The Unreasonable Selling Attitude

Sell Or Be Sold Feb 23 2022 Shows that knowing the principles of selling is a prerequisite for success of any kind, and explains how to put those principles to use. This title includes tools and techniques for mastering persuasion and closing the sale. **The 5 Elements of Effective Thinking** Jul 07 2020 Offers real-life stories, items, and methods that allow for a deeper understanding of any issue, provide the power to use failure as a step toward success, and develop a habit of creating probing questions.

The Closer's Survival Guide Nov 22 2021 The Closer's Survival Guide is perfect for sales people, negotiators, deal makers and mediators but also critically important for dreamers, investors, inventors, buyers, brokers, entrepreneurs, bankers, CEO's, politicians and anyone who wants to close others on the way they think and get what they want in life. Show me any highly successful person, and I will show you someone who has big dreams and who knows how to close! The end game is the close.

Popular Sep 08 2020 Who doesn't want to be more popular? Surely a person's popularity, be it at school, work or socially, is the best predictor of how happy and successful they will be? The truth is actually much more complex and is based on millennia of human evolution. This impeccably researched and highly entertaining book presents two very distinct types of popularity and shows how only one of them will get you what you want. Professor of Psychology and popularity expert Mitch Prinstein has based his book Popular on two decades of research into the human psyche and genetic make-up. He investigates the science of what popularity is, why we care about it so much - even if we don't think we do - and if we can still become popular, even if we were outcasts when we were younger. He investigates social media phenomena, including Facebook friends, Instagram likes and Twitter followers, and explores how they tap into our basic need to survive. He also examines the correlation between popularity, health and lifespan, and offers important insights into parenting for popularity, explaining why supporting children in the right way will help them cultivate the right kind of popularity and shape them positively as adults in the future. An enlightening read on a topic that has fascinated us for centuries, Popular will provide insight into your own popularity and how it influences your life in unexpected ways.

The Status Game Mar 03 2020 From the Sunday Times bestselling author of The Science

of Storytelling comes a bold and ambitious investigation of status that will redefine human culture for our times There's something humans desire even more than gold. It's a fundamental drive that's common to all humanity, cutting across race, gender, age and culture. Our need for it is such that exactly how much of it we possess dramatically affects not only our happiness and well-being but also our physical health. It's status, argues Will Storr. You can't understand human behaviour without understanding The Status Game. This game, which we are all playing, is not only the secret of our success, but also of our most evil behaviour. Everything is subordinate to status, and humans aren't unique in our complicity with it. By reflecting on the various ways humans negotiate this game - through status hierarchies, values, myths and sacred markers, Storr gives readers a master class in this most malevolent of social mysteries.

The 10X Rule Mar 27 2022 Achieve "Massive Action" results and accomplish your business dreams! While most people operate with only three degrees of action-no action, retreat, or normal action-if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of "Massive Action," allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the "Estimation of Effort" calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the exact formula to solve problems Extreme success is by definition outside the realm of normal action. Instead of behaving like everybody else and settling for average results, take Massive Action with The 10 X Rule, remove luck and chance from your business equation, and lock in massive success. **Obsessed** Apr 15 2021 The 2020 Porchlight Marketing & Sales Book of the Year The cofounder and chief branding officer of Red Antler, the branding and marketing company for startups and new ventures, explains how hot new brands like Casper, Allbirds, Sweetgreen, and Everlane build devoted fan followings right out of the gate. We're in the midst of a startup revolution, with new brands popping up every day, taking over our Instagram feeds and vying for our affection. Every category is up for grabs, and traditional brands are seeing their businesses erode as hundreds of small companies encroach on their territory, each hoping to become the next runaway success. But it's not enough to have a great idea, or a cool logo. Emily Heyward founded Red Antler, the Brooklyn based brand and marketing company, to help entrepreneurs embed brand as a driver of business success from the beginning. In Obsessed, Heyward outlines the new principles of what it takes to build and

launch a brand that has people queuing up to buy it on opening day. She takes you behind the scenes of the creation of some of today's hottest new brands, showing you: • How Casper was able to upend the mattress industry by building a beloved brand where none had existed before • How the dating app Hinge won a fanatical user base and great word-of-mouth with the promise that the app was "designed to be deleted" • Why luggage startup Away, now valued at \$1.4 billion, could build their brand around love of travel by launching with just one product--a hard-shell carry-on suitcase--rather than a whole range of luggage offerings. Whether you're starting a new business, launching a new product line, or looking to refresh a brand for a new generation of customers, Obsessed shows you why the old rules of brand-building no longer apply, and what really works for today's customers.

I'll Be Gone in the Dark Jan 01 2020 ** SOON TO BE A MAJOR NEW DOCUMENTARY SERIES FROM HBO AND SKY ** WINNER OF THE GOOD READS BEST NONFICTION BOOK OF THE YEAR AWARD 2018 THE NEW YORK TIMES #1 BESTSELLER SHORTLISTED FOR THE GORDON BURN PRIZE 2018 The masterful true crime account of the Golden State Killer - the serial rapist turned murderer who terrorised California for over a decade - from the late Michelle McNamara. I'll Be Gone in the Dark offers a unique snapshot of suburban West Coast America in the 1980s, and a chilling account of the wreckage left behind by a criminal mastermind. It is also a portrait of one woman's obsession and her unflagging pursuit of the truth, three decades later, in spite of the personal cost. Updated with material which takes in the extraordinary events that followed its initial publication, Michelle McNamara's first and last book is a contemporary classic - humane, haunting and heroic.

Endless Obsession May 05 2020 I've silently watched her for a year, staying hidden in the shadows, biding my time. She may know me as two different men, but she doesn't have a clue what I've done. She unknowingly became mine the moment my eyes touched her beauty. But I've done things... things she may not be able to forgive. I know all her secrets, her habits, her preferred coffee, what she does in her spare time, her favorite lingerie brand, and that she sleeps naked. At night, I watch her from her window. During the day, I watch her from my computer. She innocently bares her heart and body to me, and I soak up every fucking second of it. I've stayed away, but I'm tired of watching her from afar. It's time Poppy finds out just who I am and what I'm willing to do to take what's mine. She may hate me when she finds out the lengths I've gone to with the things I've done, but she has no choice but to accept it. She will be my wife. She will mother my children. I will claim every part of her heart, body, and soul. Anything else is unacceptable. Poppy Lexington has become my endless obsession. I will become her uncontrollable addiction.

Be Obsessed or Be Average Nov 03 2022 From the millionaire entrepreneur and New York Times bestselling author of *The 10X Rule* comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to: · Set crazy goals—and reach them, every single

day. · Feed the beast: when you value money and spend it on the right things, you get more of it. · Shut down the doubters—and use your haters as fuel. Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be obsessed or be average.

How To Make Someone Obsessed With You Aug 20 2021 You've witnessed the power that obsession has over people. People will do anything for someone they are obsessed with. Fans will travel across the world to see a celebrity they are obsessed with. A person will become a slave to someone they are obsessed with. Many people are immune to subtle signs of manipulation. The only thing people are not immune to, is falling in love, and obsession. A person obsessed with you, is a person under your control. Scarlett Kennedy uncovers the real causes of obsession, how to take advantage of it, the common types of people in the world, and how you can make them obsessed with you. Because not one size fits all. Scarlett also creates personality profiles for her targets and documents what has worked and what hasn't worked. As well as the dangers of holding all the power in your hands.

Obsessed Sep 20 2021 Elise I'm obsessed with Aston. He became my addiction the moment I met him at 10 years old. He was my best friend from childhood. He protected me and guided me. I loved him fiercely long before I really understood what love was. We were inseparable. He knew how I felt, and sometimes he would stare at me in ways that made me breathless. But there were boundaries. Lines that couldn't be crossed. Looks that shouldn't be exchanged. Lips that shouldn't be kissed. We weren't supposed to love each other. Not in **that** way. Because, you see, Aston was also my adopted brother... Aston Elise was off-limits, a temptation that cursed my existence with this visceral hunger to have her, possess her, and taste her like she was made for me. I was tormented and on the brink of falling. If I stepped over that boundary, if I gave into my want, I wasn't sure I could survive the disappointment of my adopted parents. We would all be affected. Our lives wouldn't be the way it was. That change was irreversible, and the damage would be permanent. It was a scary thought, destroying a foundation and rebuilding it without knowing what it might end up looking like. But my want for her...it sat in the core of me, growing and growing. And want is a dangerous fucking thing. It clouds your judgment, it makes you weak, and I knew...I knew without a doubt, it was only a matter of time before I cracked. Obsession was devotion. Obsession was mania and need. It was a compulsive urge to self-gratify by wanting, and wanting, and wanting 'til it hurt, 'til you could

feel it there in your bones, gnawing its way deeper within you. Obsession was my craze for Elise. She was my impulse. My...pulse itself. It wasn't healthy. I knew that. I didn't fucking care either.

Uncommon Type Aug 27 2019 A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

The Maddest Obsession Sep 28 2019 She fears the dark. He rules it. Her dresses are too tight, her heels too tall. She laughs too loudly, eats without decorum, and mixes up most sayings in the book. Little do most know it's just a sparkly disguise, there to hide one panic attack at a time. Nobody can crack Gianna's facade . . . no one anyway, until he comes along. Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . . One winter night and their lives intertwine. She hates him--his stone-cold demeanor, his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his--his frustration, his fascination. His maddest obsession. *Can be read as a standalone

Notes on Love Apr 03 2020 In this delightfully witty and uplifting book, thirty-something Lauren Windle shines a light on the trials and tribulations - and sometimes also the triumphs - of the world of Christian dating. This is not a how-to guide. Like having a coffee with your mates while you pore over your profile matches, heartbreaks and hilarious mishaps, Notes on Love draws on Lauren's own experiences of being single and dating in the Church to offer a funny, insightful and open-hearted collection of musings on the absurdity, messiness, pain and joy of it all. With notes on 'How to first date' and 'A million ways to meet people' to 'Disappointment' and 'Schrodinger's boyfriend', as well as looking at how you can find true love with yourself, your friends and family and above all in Christ, Notes on Love is a thought-provoking exploration of Christian relationships in the Church today. This is a book for anyone who has struggled with dating in Church, or who has asked themselves how to be single as a Christian only to discover there's no right answer. Warm, generous and honest, Notes on Love is an invitation to laugh, cry and know that whether you are male or female, single, coupled up or somewhere in between, you are not alone.

Rock Bottom to Rock Star Feb 11 2021 Can you remember that one time you got recognized or someone thanked you for your contribution to their life? You were a rock star, even for just one second. This book isn't about a charmed path to success or some untouchable fairy tale that nobody can relate to--this is about going from rock bottom to rock star, something that everybody can relate to. In his first book, Blair shared the brutally honest story of how he went from an at-risk youth, sleeping on a mattress on the floor of a shack, to a self-made multimillionaire by his early twenties. As his story became a national sensation, fans started asking him how they too could become entrepreneurs, take their careers to the next level, and achieve financial freedom. Rock Bottom to Rock Star answers those questions. Blair has battled extreme obstacles: life as a former gang member, balancing a demanding career with single parenthood, building and selling multiple companies, and making and losing tens of millions of dollars (sometimes all in one day). He wants to help others avoid the mistakes he made in the school of hard knocks, so he has compiled his unique advice for going from rock bottom to rock star in whatever field you chose to pursue. Much of his advice is counterintuitive, and definitely not what you would learn in business school. Here's one example: "Don't believe your own hype. The moment you start celebrating, you've left the stage. It wasn't celebration that made you a rock star. It was hard work." If you're serious about making the most of your life and you're ready to become the "rock star next door" instead of just looking up to them, this may be the most rewarding book you'll ever read.

Obsessed Jun 25 2019 I wanted him from the moment I laid eyes on him and from that point on, the question wasn't if I'd have him but when...Thirty-five-year-old Matias de la Vega is good at one thing and one thing only. Though he doesn't officially carry the title of killer when it comes to his role in an underground vigilante group, he's got no problem getting his hands dirty if it means getting justice for those who can't get it on their own. Such is the case when single dad Sam Wittier is confronted by a stalker bent on murder. While neutralizing the threat is all in a day's work for Matias, what comes after is anything but. Although Matias isn't particularly surprised by his attraction to the older Sam, his inability to walk away from the still-grieving widower is a complication. An unexpected and dangerous complication...Nothing about the mysterious Matias makes sense to me. The emotionally distant soldier says what he means and takes what he wants. And for whatever reason, what he wants is me. That should have me running for the hills. It should, but it doesn't...For fifty-something Sam Wittier, life is as good as it's been since he lost the man of his dreams more than two decades earlier. After handing the reins of his successful business over to his older son, Sam is happy to settle into the quiet, simple life of being a full-time single dad to his newly adopted little boy. Unfortunately, life didn't get the message. After nearly losing everything to a deranged stalker, Sam finds himself face to face with a man who is anything but quiet and simple. There's no reason he should want the unpredictable, take-no-prisoners Matias in his life or his bed, but just

like life, his body isn't getting the message. One night with Sam is all I need to get him out of my head for good. One night will be enough to end my obsession with him. It has to be... While Sam and Matias share a white-hot chemistry that neither has ever known before, that's about all they have in common. But as one passionate encounter leads to another and the line between obsession and need begins to blur, will Matias and Sam find that maybe they aren't so different after all? And what will that mean for the ghosts of the past that have haunted each man for so long? The ghosts that are willing to be buried as well as the ones that aren't...

The Age of Fitness Nov 10 2020 We live in the age of fitness. Hundreds of thousands of people run marathons and millions go jogging in local parks, work out in gyms, cycle, swim, or practice yoga. The vast majority are not engaged in competitive sport and are not trying to win any medals. They just want to get fit. Why this modern preoccupation with fitness? In this new book, Jürgen Martschukat traces the roots of our modern preoccupation with fitness back to the birth of modern societies in the eighteenth century, showing how the idea of fitness was interwoven with modernity's emphasis on perpetual optimization and renewal. But it is only in the period since the 1970s, he argues, that the age of fitness truly emerged, as part and parcel of our contemporary neoliberal era. Neoliberalism enjoins individuals to work on themselves, to cultivate themselves in body and mind. Fitness becomes a guiding principle of social life, an era-defining network of discourses and practices that shape individuals' actions and self-conceptions. The pursuit of fitness becomes a cultural repertoire that is deeply ingrained in our institutions and way of life. This wide-ranging book shows how deeply fitness is inscribed in modern societies, and how important fitness has become to success or failure, recognition or exclusion, in a society that sets great store by self-responsibility, performance, market, and competition. It will

be of great value not only to those interested in sport and fitness, but also to anyone concerned with the conditions of success and failure in our societies today.

Summary, Analysis & Review of Grant Cardone's Be Obsessed or Be Average by Instaread Jun 29 2022 Summary, Analysis & Review of Grant Cardone's *Be Obsessed or Be Average* by Instaread Preview: *Be Obsessed or Be Average* by Grant Cardone explains how to harness an obsessive or addictive personality for success in the business world. Cardone experienced loss in his family, first economically and then when his father died, and eventually became a struggling car salesman with a drug addiction problem. When he finished a short rehabilitation program, he decided to manage his tendency toward addiction by expending his energy on self-improvement in business and his personal life. He became one of the top automotive salespeople in the country, started investing in real estate, and now owns properties worth \$400 million. He attributes this to his obsession with success, which he applies to his family life as well as his business. The first step of obsession-powered success is to embrace an obsessive personality. A person's obsession should be focused on his or her purpose. Maintaining an obsession involves "feeding the beast" by...
