Creation and the Second Coming Apr 15 2021 To understand the end, you must understand the beginning. God's plan for the Second Coming of Jesus Christ began in the Book of Genesis with the events of Creation and the rebellious Fall of Man. God's great plan of redemption and salvation through Christ is still underway and will culminate with His triumphant return, but before this event, the Bible tells of a clear set of signs that will mark the final days. The political upheaval in the Middle East, the New-Age movement, and the call for a one-world government were all foretold in God's Word. The Bible's prophetic writers give key "signs" of the return of Christ, and in this classic work from renowned author and creation scientist Dr. Henry M. Morris, he reveals how each "sign" is an outgrowth of evolutionary humanism or pantheism.

coming of Jesus Christ.

The Signs of the Times SHOWING THAT THE SECOND COMING OF CHRIST IS AT THE DOORS Oct 10 2020 Basically, all the churches accept that Jesus will come the second time. But, distinctively from the church creeds (the wine of Babylon), the proclamation of the soon return of Jesus was for William Miller and his fellow workers a proclamation of time. This is the true platform of the original advent message, and this is what separated the Adventists from the other churches, making them a peculiar people. Although this book was written after the disappointment of 1844 and no additional light on the issue of time came immediately after that year, it is quite obvious that its author was writing from the same platform as those who preached the message in the beginning. He doesn't present any future prophetic period to be fulfilled, and he does not touch the biblical chronology, but he presents the signs of the times, thus showing that the Second Advent is very near. Especially his insight into the deception of spiritual manifestations which started with the rappings in the house of the Fox sisters is truly amazing. Though he may have expected the culmination of these miraculous signs and wonders to consume in his lifetime, he was not wrong at all in identifying them as a sign of the end. One fruit of these manifestations is the Revised version of the Bible (RV) and the critical text in Greek of the New Testament, both published in the year of James White's death (1881). Because both Westcott and Hort were involved in this phenomenon, where people were receiving information from the other realm. What kind of information regarding the Bible was passed from these deceiving spirits is revealed plainly in this book. Those who adopted these perversions of the Word of God not only stepped out from the platform of the true advent message, they also forsook its very foundational Rock.

The SECOND COMING OF CHRIST Jul 07 2020 The information herein is based on the disciples coming to Jesus privately, saying, " Tell us, (1) when will these things be, and (2) what will be the sign of your coming, and (3) of the end of the age? " (Matthew 24:3) What will end? When will the end come? What comes after the end? Who will survive the end? These questions and far more will be answered as Andrews delves into The SECOND COMING of CHRIST. In chapters 1 and 2, we must address why Jesus is saying there would be an end to the Jewish age. In chapter 3, we will take a deep look at the signs that establish the great tribulation is closing in, and when is it time to flee. In chapter 4, we will go over the signs of the end of the Jewish age. In chapter 5, we will walk through the events leading up to the end of the Jewish age from 66 – 70 C.E., and how it applies to our Great Tribulation in these last days. In chapter 6, we will cover the second coming of Jesus where the reader will get the answers as to whether verses 3-28 of Matthew Chapter 24 apply to Christ's second coming. We will close out with chapter 7, and how we should understand the signs, and how we do not want to be led astray, just as Jesus warned even some of the chosen ones would be misled. We will also address what comes after the end.

Signs and Symbols of the Second Coming Mar 27 2022 MILLIONS OF CHRISTIANS ALL OVER THE WORLD ARE AWAITING HIS ARRIVAL. . . WILL HE RETURN IN OUR LIFETIME? . There is a general consensus among a large group of UFO believers that we should await some form of open, mass landing seen by the entire world. What if this expectation is not fulfilled until the Battle of Armageddon? Perhaps we are mistaken in looking for a "morally indifferent" landing on the White House lawn and should instead anticipate a vengeful mass landing in which the often seen flying saucers return to destroy the armies gathered by the Antichrist and establish the millennial reign of Jesus. . Theories about the Second Coming and how it will manifest itself are varied and many-faceted. Sean Casteel's "Signs and Symbols of the Second Coming" makes the job of sorting between competing beliefs a little easier by providing answers from a range of theological and paranormal experts. For instance, what does the Second Coming mean to ordained minister Dr. Barry Downing? Downing's impressive academic background in both science and religion, combined with a longtime study of the UFO phenomenon, makes his opinion as "expert" as they come. . Biblical prophecy expert Gary Stearman discusses how the long awaited Rapture will be timed to events in Israel and explains how UFO waves in that embattled stretch of Earth have always been an expression of God's unfolding plan in the modern world. One must learn to live with the idea that the Day of the Lord will arrive as a "thief in the night," catching the entire world off-guard and entering our reality unannounced. . There are also chapters offering a less apocalyptic view of the Second Coming. In interviews with religious and UFO scholar Dr. Brenda Denzler and prophecy researcher G.C. Schellhorn, Christ's return is portrayed as a quieter transformation of humankind's collective consciousness, a kind of moral rebirth taking place on levels too subtle to be readily apparent to the unenlightened observer. What if Christ and the other prophets can achieve their merciful ends without a "blood and guts" confrontation with the wickedness of the world? . The legendary husband and wife team of Brad and Sherry Steiger are interviewed for separate chapters about their beliefs on the Second Coming. Brad recalls his youthful days in Bible class and explains how his views are now less extreme, less black and white regarding what we mean when we discuss things like the fearful aspects of the Book of Revelation. Meanwhile, Sherry also feels her childhood religious beliefs and even time spent in a Lutheran seminary as a young woman did not prepare her for the truths she would later discover. What should be emphasized, she believes, is the commonality between all world faiths and the peaceful, good intentions of the prophets who introduced them to us. Yet she concedes she is troubled by portions of Book of Revelation and believes the Mark of the Beast could easily become a reality. Read her chapter in "Signs and Symbols of the Second Coming" to find out why. . Did the late Dr. Frank Stranges correctly identify the Antichrist? He is among the many who have tried to

"name names" in that regard, but in this exclusive interview he explains his reasoning for doing so in some detail, while at the same time decrying the "fear mongers" who use the Second Coming to terrify rather than to inspire. Will the UFOs eventually spread the wisdom and grace of Christianity to the entire universe after carrying out the Second Coming on Earth? . Finally, the author himself touches on the possible use of holograms to stage a false Second Coming and offers a checklist of signs to watch for in the countdown to the Day of the Lord. We stand on the threshold of Doom and Salvation, and the mysterious, ubiquitous UFOs are a crucial element of both.

God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Blood Moon - Biblical Signs of the Coming Apocalypse Feb 11 2021 Woodward examines the Blood Moon Prophecy as articulated by Mark Biltz and John Hagee and evaluates the criticisms of Mark Hitchcock and Chris White. Woodward finds a middle ground, identifying why the Blood Moon Prophecy is likely to be authentic, but cautions against accepting its validity without the test of time. Woodward points out many reasons to find cause for belief and many reasons that it legitimately could be questioned. Woodward evaluates the nature of biblical signs by studying the phrase “ signs and wonders ” . He also evaluates the issues of whether biblical signs of the apocalypse must all be supernatural - showing why many may be 'natural' in terms of astronomical events that are unusual but not paranormal acts. The heart of the book is an apologetic for why the study and adherence to the Kingdom of God (and the apocalypse it implies) is mandated by the words of Christ. His followers MUST keep watch—always. It is a must read for all students of eschatology.
