clarifications. Among the key findings is that clearer guidance is still needed on the circumstances under which a Prime Minister should resign and when he has a duty to remain in office. The report also proposes enhanced processes for ensuring that governments understand-and are discouraged from breaching-restrictions on their activity that apply before and immediately after general elections. The committee concludes that as a coalition government's programme for government cannot be put directly to the people, the House of Commons needs to have the opportunity to subject these proposals to full pre-legislative scrutiny.

Furniture and Cabinet-Making - With Instructions and Illustrations on Constructing Household Furniture, Including Various Cabinet Designs for Different Uses - The Handyman's Book of Woodworking May 05 2020

This is a classic guide to woodworking that focuses on making a variety of cabinets and similar items of household furniture. Including instructions for designing and practical step-by-step directions, this timeless volume will be of utility to DIY enthusiasts and those with an interest in woodwork in general. Paul Nooncree Hasluck (1854 - 1916) was an Australian engineer and editor. He was a master of technical writing and father of the 'do-it-yourself' book, producing many books on subjects including engineering, handicrafts, woodwork, and more. Other notable works by this author include: "Treatise on the Tools Employed in the Art of Turning" (1881), "The Wrath-Jobber's Handy Book" (1887), and "Screw-Threads and

Methods of Producing Them" (1887). Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.
