Questions that Islam Can't Answer - Volume One Sep 30

2019 "Read with great interest

and was very impressed by the

level of research committed to

the project." - Katie Hopkins

Productions, Radio DJ for LBC

UK - on the author's work. "J.K

Sheindlin has done something

incredible " - WND Online

News - on the author's work.

From #1 international

bestseller J.K Sheindlin, author

of the critically acclaimed and

controversial 'The People vs Muhammad', comes the new book series which will equally, and undoubtedly, set the Islamic world on fire... once again. 'Questions that Islam can't answer' is the multipart series which asks the embarrassing questions that Muslims will find impossible to answer. Researched entirely using a wide spectrum of certified Islamic sources, this series turns the tables on the Islamic world, by placing the burden of proof on all Muhammadans. As every Muslim on the planet insists, Islam is allegedly the most perfect and faultless religion which apparently provides the irrefutable answers to life's questions. In volume one, J.K Sheindlin puts this assertion to the test by asking the most heretical, politically-incorrect and palpitation-inducing arguments that no Muslim will dare answer. Without a doubt, this series will be the ultimate source of embarrassment for the Islamic nation, especially when Muslims will not be able to answer the following

questions regarding their 'holy' texts... Why are Muslims and Muhammad going to hell? Why is there no salvation in Islam? Why is there absolutely no proof Muhammad existed? Why has the Quran been corrupted? Why is there no proof Mecca existed in Muhammad's time? Why is there no evidence of Islam after Muhammad died? Why is Islam incapable of progression? Why does Sharia law fail everyone? Why does the oldest Quran negate '72 wide-eyed virgins' with 'grapes'? And much, much more... Factually written, and often humorous, the long list of compelling and unanswerable questions are guaranteed to have your Muslim friends gnashing their teeth and cursing their prophet for years to come. Designed to be an easy read and accessible for people of all ages, 'Questions that Islam can't answer' will provide all the fun and embarrassing facts for all your Muslim friends
