Relentless Passion Sep 22 2019 My heart in writing this book is to encourage believers that they do not have to settle for a Christian life that is void of passion! In "Relentless Passion" I teach that fiery, passionate love for God is normal in the Kingdom of God and that settling for anything less is accepting an inferior Christian lifestyle. The salvation experience does not introduce us to a religion; it baptizes us into a passionate relationship with God! Having a heart that is alive and burning with love for God is every believer's inheritance in Christ. And having a bride passionately in love with Him is part of Jesus' inheritance in the saints. "Relentless Passion" calls Christians to pursue passion in their relationship with God, and equips them with tools to sustain it for a lifetime. This book will help you: -Acquire godly passion and sustain it during mundane and difficult seasons-Position yourself for life changing encounters with God-Practice the art of interacting with God-Develop a devotional life that is consistent, vibrant, and fulfilling-Identify and overcome obstacles that kill passion-Recapture your spiritual vitality while overcoming inner boredom and passivity-Cultivate an appetite for God and His Kingdom

**Meditations on the Passion** May 11 2021 And he began to teach them: 'The Son of Man must suffer many things, and be rejected by the elders, the high priests and the learned scribes, and be put to death, and after three days rise again.Mark 8:31-38.Two of the most eminent theologians of our age share their penetrating meditations on the passion of Jesus Christ as recorded in Mark 8:31-38. This is a book for anyone willing to respond to Christ's call to follow Him so that through His suffering and death our own is bearable. In the words of Moltmann, "and as it becomes bearable, it has already been overcome and turned into joy." Metz exhorts his readers to contemplate the way of the cross: "Only when we Christians give ear to the dark prophecy of the nameless, unrecognized, misunderstood, and misprised Passion do we hear aright the message of His suffering."

**They Were There** Aug 22 2019 In this dynamic account of the passion and death of Jesus, you will meet thirty-three eyewitnesses to the events of those days. Some were perpetrators in the passion: the Roman soldiers, the Sanhedrin and the high priests, Herod, Pontius Pilate and his wife. Others were disciples: James, John, Peter, Mary Magdalene, and Joseph of Arimathea. Still others were pulled into the drama, perhaps even unwittingly: the servant girl in the courtyard, Veronica, Simon of Cyrene, and the crowds who were in Jerusalem for the Passover. Bishop Griffin goes inside the head and heart of each person or group to reveal the thoughts, motivations, and actions of these key witnesses. He illustrates the various perspectives of the life, work, and mission of Jesus as seen by these witnesses while retaining the clarity, insight, and faithful vision of the gospel accounts. Each brief reflection is followed by a prayer, making this a great resource for lenten meditation. The format of They Were There offers a complement to the traditional way of the cross, and can be used by both groups and individuals.

*Entering the Passion of Jesus Leader Guide* Sep 15 2021 Jesus' final days were full of risk. Every move he made was filled with anticipation, danger, and the potential for great loss or great reward. Jesus risked his reputation when he entered Jerusalem in a victory parade. He risked his life when he dared to teach in the Temple. His followers risked everything when they left behind their homes, or anointed him with costly perfume. We take risks as we read and re-read these stories, finding new meanings and new challenges. In *Entering the Passion of Jesus: A Beginner's Guide to Holy Week*, author, professor, and biblical scholar Amy-Jill Levine explores the biblical texts surrounding the Passion story. She shows us how the text raises ethical and spiritual questions for the reader, and how we all face risk in our Christian experience. *Entering the Passion of Jesus* provides a rich and challenging learning experience for small groups and individual readers alike. The Leader Guide contains everything needed to guide a group through the six-week study including session plans, activities, and discussion questions, as well as multiple format options.

*A Passion for Christ* Apr 10 2021 In a culture increasingly secular in its pursuits and indifferent to the voice of the church, how may we ignite the fire for ministry that will bring the gospel to the world? How can weary pastors be sustained amidst a climate of doubt and resistance? For more than half a century, three remarkable brothers have offered a vision that has inspired thousands in churches and seminaries. Today, their message remains fresh and relevant as we enter a new millennium. And for one reason: The Brothers Torrance share a passion for Christ—the Christ of the Scriptures, the Christ of the historic Nicene faith. These essays distill the essence of their thought, and shine with the clarity of their shared vision. A Passion for Christ is a light of encouragement for ministers and lay people elsewhere.

The Passion of Jesus Christ Feb 08 2021 Fifty Reasons Why Jesus Came to Die The most important questions anyone can ask are: Why was Jesus Christ crucified? Why did he suffer so much? What has this to do with me? Finally, who sent him to his death? The answer to the last question is that God did. Jesus was God's Son. The suffering was unsurpassed, but the whole message of the Bible leads to this answer. Why did Christ suffer and die? The central issue of Jesus' death is not the cause, but the meaning-God's meaning. That is what this book is about. John Piper has gathered from the New Testament fifty reasons. Not fifty causes, but fifty purposes-in answer to the most important question that each of us must face: What did God achieve for sinners like us in sending his Son to die?

The Passion of Jesus and Its Hidden Meaning Jan 19 2022 The Passion of Jesus and Its Hidden Meaning shows how every person in the world, whether he realizes it or not, is personally involved in the sufferings and death of Jesus Christ. It was because of our sins, and the seriousness of these sins, that Our Lord underwent so cruel a torture. Using only classic Catholic Commentaries on the Scriptures, Fr. Groenings demonstrates the historical context and spiritual significance of each episode of the Passion of Jesus. From the Agony in the Garden through Our Lord's death and burial, every page of this book is replete with valuable lessons and superabundance of material for meditation and reflection. Drawing from both the Old and New Testaments, Fr Groenings is able to illustrate the meaning of every event and episode, showing how to apply these lessons to our lives today. Far from being merely an act of unspeakable brutality, the Passion and death of Jesus Christ are shown to be the greatest proof of God's love and mercy to each of us.

**The Passion and Death of Our Lord Jesus Christ** Nov 17 2021 Archbishop Alban Goodier, S.J. fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history, culture and his own deep spiritual insights. He brings to life and unifies the many observations, emotions and subtle and not-so-subtle actions that revolve around the person of God the Son as he faces his most tragic and triumphant moment. The author's unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years. He draws from the obvious as well as the obscure, and finds supernatural meaning in the most mundane actions that surround the suffering Christ. In the hands of this writer, the Lord's few words, accompanied by the author's commentary, challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles. The author was born in 1869 in Lancashire, northern England and educated at the prominent Catholic college, Stonyhurst, which has been the source of many English Catholic politicians, intellectuals and business people. After a degree from the University of London, he was ordained a Jesuit in 1903. He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939.

**The Passion of Jesus in the Gospel of Mark** May 23 2022 Which came first: a coherent Passion story or the Gospel of Mark? Contemporary biblical scholarship is divided over this issue of how, exactly, the Passion story developed. Whatever the shape of the story prior to Mark, it must have been imprinted with Christian experience as well as historical memory. Mark, in turn, felt free to retell and reinterpret that story for his own time and place. The Passion of Jesus was not only a story from the past but also, in the sufferings and hopes of the Christians of Mark's time, a living reality of the present. The readers of this insightful work will find that the Passion of Jesus as told by Mark continues to hold meaning for the present.

The Dolorous Passion of Our Lord Jesus Christ Dec 18 2021 The meditations in this book will probably rank high among many similar works which the contemplative love of Jesus has produced; but it is our duty here plainly to affirm that they have no pretensions whatever to be regarded as history. They are but intended to take one of the lowest places among those numerous representations of the Passion which have been given us by pious writers and artists, and to be considered at the very utmost as the Lenten meditations of a devout nun, related in all simplicity, and written down in the plainest and most literal language, from her own dictation. To these meditations, she herself never attached more than a mere human value, and never related them except through obedience, and upon the repeated commands of the directors of her conscience.

*The Passion of the Christ* Nov 05 2020 "The Passion of the Christ was the cinematic event of 2004. In the year leading up to its release it inspired one of the fiercest controversies, and perhaps the most significant exception to rules limiting the distribution of film violence and blood-letting, since the late 1960s. The film's unflinching depiction of the torture and crucifixion of Jesus was praised and deplored in equal measure as either scaling unprecedented heights of reverent iconography or plumbing new depths of gratuitous violence. At the same time, it provoked a nationwide storm of controversy for what many saw as its anti-Semitic portrayal of Jewish religious leaders. Neal King's study of the controversies over *The Passion of the Christ* explores how conservative Christians united in support of Mel Gibson and in opposition to liberal, secular and Jewish critics. The resulting public battle in the US over the editing and rating of this film generated more controversy than over any other film in recent cinematic history. By chronicling the publicity campaign that made this film the highest grossing independent production of all time, King reveals how Gibson deployed tactics that date from the days of silent movies about Jesus and the Jews. In a close look at debates over the film's classification, he shows how religious groups inspired ratings boards, media watchdogs and government censors worldwide to break their rules and guidelines about violence and the depictions of prophets and other religious figures. Finally, study of the film's narrative and visual style shows how the choices made by director, cast and crew contributed to the biggest argument over Hollywood and anti-Semitism in decades, and how longstanding patterns in the production and marketing of stories of Christ helped one filmmaker to turn his statement of faith into a partisan, blockbuster event"--Provided by publisher.

**The Passion of Jesus in the Gospel of John** Nov 29 2022 With this volume on John the Passion series concludes its study of the meaning of Jesus' death in each of the Gospels. But though last, it is certainly not less important or a repetition of the other Gospels. In fact, John's portrayal of the death is as distinctive and unique as the rest of this maverick" Gospel. Father Senior explores how the rest of the Gospel prepares for the Passion story. He then gives a detailed analysis of the Passion narrative itself. Finally, he explores the theological motifs that dominate the Passion narrative. With scholarly finesse and deep pastoral awareness, he makes John's vibrant message of the Passion speak

to our life and times. "

**The Passion of Jesus in the Gospel of Matthew** Jul 25 2022 The Word of the cross is a living word, crying out for reinterpretation as life takes new shape and expression. Reinterpreting the Gospel was particularly compelling for Matthew's church because his Christians lived in a time of profound transition. The Passion of Jesus, then, was not simply a story of suffering out of the past but a point of identification for the Christians of Matthew's own time. For us twentieth-century Christians, who also know the peculiar suffering and hope of living in an age that is both dying and being born, the Passion of Jesus according to Matthew has special meaning.
