The History and Practice of Humanitarian Intervention and Aid in Africa Jan 15 2021 The history of humanitarian intervention has often overlooked Africa. This book brings together perspectives from history, cultural studies, international relations, policy, and non-governmental organizations to analyze the themes, continuities and discontinuities in Western humanitarian engagement with Africa.

How Should One Read a Book Dec 02 2019 Virginia Woolf dreamed of the Day of Judgment. The "great conquerors and lawyers and statesmen" come to receive their rewards - crowns, laurels, names carved on marble. But, when he sees people coming with books under their arms, God turns to Peter and says: "Look, those need no reward. We have nothing to give them here. "They have loved reading." And this is the essence of her essay - sheer love for the written word: a joy in exploring the thoughts and imaginings of the author. If you sometimes get bogged down in a book, Woolf has produced the perfect self-help manual and motivational guide to reading. If you enjoyed 'How Should One Read a Book?', try 'How to Read a Book: The Classic Guide to Intelligent Reading', by Mortimer J Adler. "To read a novel is a difficult and complex art," says Virginia Woolf. Adeline Virginia Woolf (1882-1941) made an impact during her life, but her fame grew in the decades after her death. The English writer helped launch the use of stream-of-consciousness in literature and was a pioneer of 20th century modernism. Arguably her greatest legacy, though, comes from how her writing helped to inspire the feminist movements of the second half of the 20th century. Along with members of her family and other authors, Woolf helped found the Bloomsbury Group. After she married the political theorist and author Leonard Woolf in 1912, they went on to found the Hogarth Press. Virginia also had a long relationship with the writer Vita Sackville-West. The affair featured in the 2018 movie Vita and Virginia', starring Gemma Arterton and Elizabeth Debicki. Her best-known works include the novels 'Mrs Dalloway', 'To the Lighthouse' and 'Orlando'.

Killing Me Softly Dec 06 2022 You have everything. But you give it up for an affair. You're in passionate love. And grave danger... Alice Loudon couldn't resist abandoning her old, safe life for a wild affair. And in Adam Tallis, a rugged mountaineer with a murky past, she finds a man who can teach her things about herself that she never even suspected. But sexual obsession has its dark side – and so does Adam. Soon both are threatening all that Alice has left. First her sanity. Then her life.

The Percy Jackson and the Olympians, Book Three: Titan's Curse Apr 17 2021 In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a manticores and learn that the goddess Artemis has been kidnapped.

Killing Sarai May 31 2022 Now an action film starring William Levy and Alicia Sanz in Brazos De Un Asesino! ? ? ? ? "This series is Spectacular!" - SMI BOOK CLUB ? ? ? ? "Mind-f*ck at its finest and I loved every single minute of it." - Amazon Customer ? ? ? ? "Say goodbye to your nails..." - Amazon Customer on Killing Sarai ? ? ? ? "Dark, compelling, deathly violent and just fan-bloody-tastic!" - Goodreads Reviewer on Reviving Isabel ? ? ? ? "5+ Crushing, Amazing & Shocking STARS" - The Book Enthusiast on The Swan & the Jackal ? ? ? ? "There is no going back for me, this series has me completely and utterly addicted..." - Books She Reads *** Sarai was only fourteen when her mother uprooted her to live in Mexico with a notorious drug lord. Over time she forgot what it was like to live a normal life, but she never let go of her hope to escape the compound where she has been held for the past nine years. Victor is a cold-blooded assassin who, like Sarai, has known only death and violence since he was a young boy. When Victor arrives at the compound to collect details and payment for a hit, Sarai sees him as her only opportunity for escape. But things don't go as planned, and instead of finding transport back to Tucson, she finds herself free from one dangerous man and caught in the clutches of another. While on the run, Victor strays from his primal nature as he succumbs to his conscience and resolves to help Sarai. As they grow closer, he finds himself willing to risk everything to keep her alive, even his relationship with his devoted brother and liaison, Niklas, who now, like everyone else, wants Sarai dead. As Victor and Sarai slowly build trust, the differences between them seem to lessen, and an unlikely attraction intensifies. But Victor's brutal skills and experience may not be enough, in the end, to save her, as the power she unknowingly holds over him may ultimately be what gets her killed.

Killing Me Softly (Previously published as Live and Let Die) Oct 24 2021

Nineteen Eighty-Four Jan 03 2020 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

The Outsiders Sep 30 2019 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Cat on a Hot Tin Roof Jun 07 2020 Maggie the Cat fights for the lives of her damaged and drinking husband Brick, herself, and their unborn children in the revised version of Williams' acclaimed dramatization of Big Daddy's birthday and deathday party and family gathering

I Have No Mouth & I Must Scream Aug 29 2019 Seven stunning stories of speculative fiction by the author of A Boy and His Dog. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. I Have No Mouth and I Must Scream also includes “Big Sam Was My Friend,” “Eyes of Dust,” “World of the Myth,” “Lonelyache,” Hugo Award finalist “Delusion for a Dragon Slayer,” and Hugo and Nebula Award

finalist “Pretty Maggie Moneyeyes.”

Never Let Me Go Feb 02 2020

War Horse Feb 13 2021 An e-book edition of War Horse with movie stills, behind-the-scenes photos, storyboards, and more! In 1914, Joey, a beautiful bay-red foal with a distinctive cross on his nose, is sold to the army and thrust into the midst of the war on the Western Front. With his officer, he charges toward the enemy, witnessing the horror of the battles in France. But even in the desolation of the trenches, Joey's courage touches the soldiers around him and he is able to find warmth and hope. But his heart aches for Albert, the farmer's son he left behind. Will he ever see his true master again?

Killing Me Softly Jan 07 2023 Killing Me Softly is a radical and compelling examination of the current euthanasia debate. Frustrated by continuing controversy and political inaction in this area, prominent activists Philip Nitschke and Fiona Stewart present a powerful argument in favour of our right to die as we choose. Their concerns include the way in which the medical profession has assumed 'ownership' of death, and the fact that existing laws restrict our end-of-life choices. They offer a future where a 'Peaceful Pill' could revolutionise euthanasia just as the contraceptive pill transformed birth control a generation ago. This book is recommended reading, not just for those who already believe we have the right to choose a dignified death but also for anyone still to be persuaded . . .

Soft War Jan 27 2022 This collection focuses on non-kinetic warfare, including cyber, media, and economic warfare, as well as non-violent resistance, 'lawfare', and hostage-taking.

Kiss Me Softly, Amy Turtle Aug 02 2022 The will-sapping tedium of life as a Walsall Reflector hack has given Dave 'Ichabod' McVane a serious thirst for the devil's juice. Now, after years of debauchery, booze has bitten back. Cathetered, bed-bound - and with what feels like a rhinoceros buffeting its way through his stomach - Dave wakes among 'regulars' in a hospital notorious for its high mortality rate. And if his darkest hour wasn't dark enough, a sinister figure from his student days at the Walsall Academy of New Knowledge reappears ... to leave Dave reeling with pain and paranoia as he faces a scalpel-happy surgeon. Join our hero as he embarks on a savage and hilarious ride from S&M to the NHS.

The Explorer Oct 12 2020 From the Boston Globe-Horn Book Award-winning author of Cartwheeling in Thunderstorms comes an exciting new novel about a group of kids who must survive in the Amazon after their plane crashes. 5 1/2 x 8 5/16.

Boy in the Tower Aug 10 2020 When they first arrived, they came quietly and stealthily as if they tip-toed into the world when we were all looking the other way. Ade loves living at the top of a tower block. From his window, he feels like he can see the whole world stretching out beneath him. His mum doesn't really like looking outside but it's going outside that she hates. She's happier sleeping all day inside their tower, where it's safe. But one day, other tower blocks on the estate start falling down around them and strange, menacing plants begin to appear. Now their tower isn't safe anymore. Ade and his mum are trapped and there's no way out . . .

Jazz Guitar Single Note Soloing Oct 31 2019 A book that clearly explains the principles of jazz soloing. Logically organized, with hundreds of musical examples, this method is the result of many years of Ted's teaching and research.

Wonder Nov 12 2020 'Has the power to move hearts and change minds' Guardian 'Tremendously uplifting and a novel of all-too-rare power' Sunday Express 'An amazing book . . . I absolutely loved it. I cried my eyes out! Tom Fletcher Read the award-winning, multi-million copy bestselling phenomenon that is WONDER in this new tenth anniversary edition. 'My name is August. I won't describe what I look like. Whatever you're thinking, it's probably worse.' Auggie wants to be an ordinary ten-year-old. He does ordinary things - eating ice cream, playing on his Xbox. He feels ordinary - inside. But ordinary kids don't make other ordinary kids run away screaming in playgrounds. Ordinary kids aren't stared at wherever they go. Born with a terrible facial abnormality, Auggie has been home-schooled by his parents his whole life. Now, for the first time, he's being sent to a real school - and he's dreading it. All he wants is to be accepted - but can he convince his new classmates that he's just like them, underneath it all? A funny, frank, astonishingly moving debut - and a true global phenomenon - to read in one sitting, pass on to others, and remember long after the final page.

Street Child Jul 09 2020 Unforgettable tale of an orphan in Victorian London, based on the boy whose plight inspired Dr Barnardo to found his famous children's homes.

Cyberspace, Cybersecurity, and Cybercrime Mar 05 2020 Presented from a criminal justice perspective, Cyberspace, Cybersecurity, and Cybercrime introduces students to the interdisciplinary field of cybercrime by exploring the theoretical, practical, and legal framework it operates under, along with strategies to combat it. Authors Janine Kremling and Amanda M. Sharp Parker provide a straightforward overview of cybercrime, cyberthreats, and the vulnerabilities individuals, businesses, and governments face everyday in a digital environment. Highlighting the latest empirical research findings and challenges that cybercrime and cybersecurity pose for those working in the field of criminal justice, this book exposes critical issues related to privacy, terrorism, hacktivism, the dark web, and much more. Focusing on the past, present, and future impact of cybercrime and cybersecurity, it details how criminal justice professionals can be prepared to confront the changing nature of cybercrime. Instructors! Sign in at www.sagepub.com/kremling for PowerPoint slides, test banks, and more!

Global Media Giants Aug 22 2021 Global Media Giants takes an in-depth look at how media corporate power works globally, regionally, and nationally, investigating the ways in which the largest and most powerful media corporations in the world wield power. Case studies examine not only some of the largest media corporations (News Corp., The Microsoft Corporation) in terms of revenues, but also media corporations that hold considerable power within national, regional, or geolinguistic contexts (Televisa, The Bertelsmann Group, Sony Corporation). Each chapter approaches a different corporation through the lens of economy, politics, and culture, giving students and scholars a thoughtful and data-driven guide with which to interrogate contemporary media industry power.

Roles for Mama Jun 19 2021 She's cared for her siblings as best she could . . . but is it enough? Instead of the new life she and her family expected to forge out west, seventeen-year-old Angela is thrust into the role of caring for her three younger siblings after the death of their parents. With the help of her older brother, and trust in God, Angela is determined to raise the children as her mother would have wanted. As the youngsters grow, the questions and challenges intensify. Angela feels trapped and overwhelmed. Surely no man will ever want a woman who comes with three children in tow. Is this the plan God has for her life? Will she ever find a way to balance her own dreams with the promises she made to her mama?

The Killing Sea Sep 03 2022 Aceh, Indonesia. December 2004. Two teens find each other surrounded by the destruction left in the wake of the most devastating tsunami the world has ever seen: Ruslan, a native of Aceh, in search of his missing father, whom he hopes has not been added to the fallen; and Sarah, an American girl, who has already lost her mother and is now struggling to find medical treatment for her sick brother. Only together can they find what they're searching for.

Everything I've Done Feb 25 2022 Sticks and stones may break bones, but Gideon Desrosiers knows that words can be just as painful. Growing up in a small town where vicious rumors are treated as fact taught him that. So Gideon stopped trying to be anything other than what the rumors say he is, until the day he meets Kacey. For her, he'll face every demon he owns and he'll conquer them one by one to be the man that she deserves. Kacey Turner is the queen of caution. One bad choice ended her life as she knew it, and she knows that's all it will take to bring everything crashing down again. Gideon is the furthest thing from a sure thing, but he makes her feel alive. Some things are worth taking a risk for, and Kacey's done playing it safe. But when she learns a shocking secret that threatens to tear them apart forever, she has to make a decision. She isn't sure she can survive without him anymore, but can she live with everything he's done?

Killing Me Softly Mar 29 2022 Alice Loudon impulsively casts aside the comforts of the life she knows to marry an exciting stranger, but she begins fearing for her safety after someone leaves her disturbing notes about her new husband's mysterious past

The Day of the Triffids May 07 2020 The classic postapocalyptic thriller with “all the reality of a vividly realized nightmare” (The Times, London). Triffids are odd, interesting little plants that grow in everyone's garden. Triffids are no more than mere curiosities—until an event occurs that alters human life forever. What seems to be a spectacular meteor shower turns into a bizarre, green inferno that blinds everyone and renders humankind helpless. What follows is even stranger: spores from the inferno cause the triffids to suddenly take on a life of their own. They become large, crawling vegetation, with the ability to uproot and roam about the country, attacking humans and inflicting pain and agony. William Masen somehow managed to escape being blinded in the inferno, and now after leaving the hospital, he is one of the few survivors who can see. And he may be the only one who can save his species from chaos and eventual extinction . . . With more than a million copies sold, The Day of the Triffids is a landmark of speculative fiction, and “an outstanding and entertaining novel” (Library Journal). “A thoroughly English apocalypse, it rivals H. G. Wells in conveying how the everyday invaded by the alien would feel. No wonder Stephen King admires Wyndham so much.” —Ramsey Campbell, author of The Overnight “One of my all-time favorite novels. It's absolutely convincing, full of little telling details, and that sweet, warm sensation of horror and mystery.” —Joe R. Lansdale, author of Edge of Dark Water

When Calls the Heart Dec 14 2020 "A lovely eastern schoolteacher faces the frontier with the firm resolve to never marry a rowdy adventurer of the West"--Provided by publisher.

Politics of Rightful Killing Nov 24 2021 In the early 2000s, mainstream international news outlets celebrated the growth of Weblogistan—the online and real-life transnational network of Iranian bloggers—and depicted it as a liberatory site that gave voice to Iranians. As Sima Shakhsari argues in Politics of Rightful Killing, the common assumptions of Weblogistan as a site of civil society consensus and resistance to state oppression belie its deep internal conflicts. While Weblogistan was an effective venue for some Iranians to “practice democracy,” it served as a valuable site for the United States to surveil bloggers and express anti-Iranian sentiment and policies. At the same time, bloggers used the network to self-police and enforce gender and sexuality norms based on Western liberal values in ways that unwittingly undermined Weblogistan's claims of democratic participation. In this way, Weblogistan became a site of cybergovernmentality, where biopolitical security regimes disciplined and regulated populations. Analyzing online and off-line ethnography, Shakhsari provides an account of digital citizenship that raises questions about the internet's relationship to political engagement, militarism, and democracy.

Kill Me Softly Nov 05 2022 Mirabelle's past is shrouded in secrecy, from her parents' tragic deaths to her guardians' half-truths about why she can't return to her birthplace, Beau Rivage. Desperate to see the town, Mira runs away—and discovers a world she

never could have imagined. In Beau Rivage, nothing is what it seems—the strangely pale girl with a morbid interest in apples, the obnoxious playboy who's a beast to everyone he meets, and the chivalrous guy who has a thing for damsels in distress. Here, fairy tales come to life, curses are awakened, and ancient stories are played out again and again. But fairy tales aren't pretty things, and they don't always end in happily ever after. Mira has a role to play, a fairy tale destiny to embrace or resist. As she struggles to take control of her fate, Mira is drawn into the lives of two brothers with fairy tale curses of their own...brothers who share a dark secret. And she'll find that love, just like fairy tales, can have sharp edges and hidden thorns.

Can Music Make You Sick? Mar 17 2021 "Musicians often pay a high price for sharing their art with us. Underneath the glow of success can often lie loneliness and exhaustion, not to mention the basic struggles of paying the rent or buying food. Sally Anne Gross and George Musgrave raise important questions – and we need to listen to what the musicians have to tell us about their working conditions and their mental health." Emma Warren (Music Journalist and Author). "Singing is crying for grown-ups. To create great songs or play them with meaning music's creators reach far into emotion and fragility seeking the communion we demand of it. However, music's toll on musicians can leave deep scars. In this important book, Sally Anne Gross and George Musgrave investigate the relationship between the wellbeing music brings to society and the wellbeing of those who create. It's a much needed reality check, deglamorising the romantic image of the tortured artist." Crispin Hunt (Multi-Platinum Songwriter/Record Producer, Chair of the Ivors Academy). It is often assumed that creative people are prone to psychological instability, and that this explains apparent associations between cultural production and mental health problems. In their detailed study of recording and performing artists in the British music industry, Sally Anne Gross and George Musgrave turn this view on its head. By listening to how musicians understand and experience their working lives, this book proposes that whilst making music is therapeutic, making a career from music can be traumatic. The authors show how careers based on an all-consuming passion have become more insecure and devalued. Artistic merit and intimate, often painful, self-disclosures are the subject of unremitting scrutiny and data metrics. Personal relationships and social support networks are increasingly bound up with calculative transactions. Drawing on original empirical research and a wide-ranging survey of scholarship from across the social sciences, their findings will be provocative for future research on mental health, wellbeing and working conditions in the music industries and across the creative economy. Going beyond self-help strategies, they challenge the industry to make transformative structural change. Until then, the book provides an invaluable guide for anyone currently making their career in music, as well as those tasked with training and educating the next generation.

Out of My Mind Oct 04 2022 Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

When Tomorrow Comes (Canadian West Book #6) Apr 05 2020 Christine is recovering from a broken heart and finds solace in helping her adored brother Henry settle into married life. The "call of the North" tugs at her, making one young man's interest in her doubly attractive--but also filling her with uncertainty. Is Christine willing to give up her dreams of living in the North and let God help her choose a lifelong love?

Love Comes Softly (Love Comes Softly Book #1) Jul 01 2022 Love Comes Softly introduced the characters of Marty and Clark Davis, whose tragic circumstances brought them to a "marriage of convenience" on the frontier prairies during the mid 1800s. The story of how Clark's patient, caring love mirrored that of the heavenly Father, drawing Marty to faith and to love, has captured the hearts and imaginations of over one million readers on Book One alone!
